

Service Technician - Toronto West, ON

Who is Orkin?

ORKIN is the largest pest control company in Canada. For nearly a century, we have been the go-to company for commercial and residential pest control, and we are known for our proactive approach each technician takes, thanks to our Award winning training systems designed to give our technicians the best opportunity to thrive in the pest control industry.

What makes a great ORKIN Service Technician?

ORKIN Service Technicians are a cut above, often tackling the technical aspects of pest control while maintaining excellent customer relationships. To be successful with us means you likely possess the following qualities.

- You thrive in fast paced environments
- You enjoy educating and advising customers on process and next steps
- Your ability to communicate clearly to a variety of individuals is unmatched, people just open up to you!
- You have a knack for details; nothing gets past you!
- With ample training and support, you thrive in autonomous job roles where you are given the ability to make rapid decisions on your own. You want to feel like an entrepreneur with a corporate backing.
- You have worked in sales or service industries and thrive on work-based incentives.

What can you expect on a typical day as a Service Technician with a focus on Termites?

ORKIN service technicians are our brand ambassadors who complete a number of activities on a day-to-day basis. One thing is for sure, there is never a "typical" day with us, every day presents challenges our Service Technicians love to tackle. Your day may consist of

- Inspect buildings and outside areas at regular intervals
- Determine type of treatment required and provide estimate of cost to clients
- Prepare and apply product on infested areas
- Coach and counsel clients to prevent pest infestation
- Inspect premises to identify infestation source, extent of damage, and access to infested locations
- Study preliminary reports and diagrams of infested area and determine treatment type required to eliminate and prevent recurrence of infestation
- Route growth through sales
- Perform other duties as required
- Termite inspections and treatments
- Termite follow up and annual inspections

What do you need to qualify?

To be considered for the Service Technician role, we do have some requirements

- Clean Drivers Abstract
- Ability to utilize computers and smart device applications
- High school diploma
- Prior service and sales experience
- Prior experience in fast paced time sensitive environments
- Valid provincial pesticide applicator license strongly preferred
