

Bird and Wildlife Technician (Seasonal) – Oshawa, ON.

Who is Orkin?

ORKIN is the largest pest control company in Canada. For nearly a century, we have been the go-to company for commercial and residential pest control, and we are known for our proactive approach each technician takes, thanks to our Award winning training systems designed to give our technicians the best opportunity to thrive in the pest control industry.

What makes a great ORKIN Bird and Wildlife Technician?

ORKIN Bird and Wildlife Technicians are a cut above, often tackling the technical aspects of pest control while maintaining excellent customer relationships. To be successful with us means you likely possess the following qualities.

- You thrive in fast paced environments
- You enjoy educating and advising customers on process and next steps
- Your ability to communicate clearly to a variety of individuals is unmatched, people just open up to you!
- You have a knack for details; nothing gets past you!
- With ample training and support, you thrive in autonomous job roles where you are given the ability to make rapid decisions on your own. You want to feel like an entrepreneur with a corporate backing.
- You have worked in sales or service industries and thrive on work-based incentives.

What can you expect on a typical day as a Bird and Wildlife Technician?

ORKIN Bird and Wildlife technicians are our brand ambassadors who complete a number of activities on a day-to-day basis. One thing is for sure, there is never a “typical” day with us, every day presents challenges our Bird and Wildlife Technicians love to tackle. Your day may consist of

- Inspect buildings and outside areas for commercial and residential customers
- Determine type of treatment required and provide estimate of cost to clients
- Trapping and exclusion services required with relocation services under municipal laws
- Coach and counsel clients to prevent pest infestation
- Inspect premises to identify entry points, extent of damage, and action plan for animal/bird resolution
- Route growth through sales
- Strong organizational skills required
- Perform other duties as required
- Will be required to work at heights with ladder work and lift equipment
- Perform other duties as required

**What do you need to qualify?**

To be considered for the Bird and Wildlife Technician role, we do have some requirements

- Clean Drivers Abstract
