

Service Technician – Edmonton, AB

What makes a great ORKIN Service Technician?

ORKIN Service Technicians are a cut above, often tackling the technical aspects of pest control while maintaining excellent customer relationships. To be successful with us means you likely possess the following qualities.

- You enjoy educating and advising customers on process and next steps
- Your ability to communicate clearly to a variety of individuals is unmatched, people just open up to you!
- You have a knack for details; nothing gets past you!
- With ample training and support, you thrive in autonomous job roles.
- You have worked in sales or service industries and thrive on work-based incentives.

What can you expect on a typical day as a Service Technician?

ORKIN service technicians are our brand ambassadors who complete a number of activities on a day-to-day basis. Your day may consist of

- Inspect buildings and outside areas at regular intervals
- Determine type of treatment required and provide estimate of cost to clients
- Prepare and apply product on infested areas
- Coach and counsel clients to prevent pest infestation
- Inspect premises to identify infestation source, extent of damage, and access to infested locations
- Study preliminary reports and diagrams of infested area and determine treatment type required to eliminate and prevent recurrence of infestation
- Route growth through sales
- Perform other duties as required

What do you need to qualify?

To be considered for the Service Technician role, we do have some requirements

- Clean Drivers Abstract
- Structural Pesticide Applicators License preferred
- Ability to utilize computers and smart device applications
- High school diploma
- Prior service and sales experience in fast paced time sensitive environments
- Willing to undergo a criminal background check
