Pest Control That Puts People First

Service Technician Pro
Clarenville, NFLD.

Who is Orkin?
ORKIN is the largest pest control company in Canada. For nearly a century, we have been the go-to company for commercial and residential pest control, and we are known for our proactive approach each technician takes, thanks to our Award winning training systems designed to give our technicians the best opportunity to thrive in the pest control industry.

Key Aspects of the Role

Responsibilities
ORKIN service technicians are our brand ambassadors who complete a number of activities on a day-to-day basis. One thing is for sure, there is never a “typical” day with us, every day presents challenges our Service Technicians love to tackle. Your day may consist of

- Inspect buildings and outside areas at regular intervals
- Determine type of treatment required and provide estimate of cost to clients
- Prepare and apply product on infested areas
- Coach and counsel clients to prevent pest infestation
- Inspect premises to identify infestation source, extent of damage, and access to infested locations
- Study preliminary reports and diagrams of infested area and determine treatment type required to eliminate and prevent recurrence of infestation
- Route growth through sales
- Perform other duties as required

Essential Qualifications

- **Education:** A high school diploma.
- **Experience:** Prior service and sales experience is an asset, but not needed. We will train!
- **Skills:** Ability to utilize computers and smart device applications.
- **Adaptability:** Prior experience in fast paced time sensitive environments preferred.

Other Requirements

- **Integrity and Legal Compliance:** Ability to pass a criminal background check and adhere to non-solicitation policies.

  Work Eligibility: Clean Drivers Abstract / Valid Drivers License.
